RE: Referral of Winco

FROM: Clair Hodges

I have been the property manager for 4001 Council of Co-Owners for five (5) years. I cannot recall how I located Winco the first time and I'm sure that was to resolve some window leaks. Suffice it to say, I have been pleased ever since.

In the past years they have provided a myriad of services – from waterproofing roofs on our townhomes, more window leaks as they arose, and they are currently revamping a 300+ square foot patio which was faulty. I believe they have had one return visit out of many, many visits. They were totally responsive to that recall. Winco has always been prompt, polite and has been respectful of our owners' homes.

My contact is Kevin Hyland who makes every attempt to explain the processes he will be using, why they need to be done, etc. Kevin had never "forgotten" a commitment and left me in a bind.

If I can be of further assistance, please call or email 4001@satx.rr.com.

Sincerely,

Clair Hodges, Property Manager
