**Winco of South Texas
Attention Keith Witt
130 West Turbo
San Antonio, TX 78216**

Dear Mr. Witt:

It is my pleasure to write this letter of appreciation to Winco of South Texas on reference project "Bird Netting to the Service Station?" Mr. Billy Baxter and son (Brandon and Brad) performed the installation at a professional level and maintained & high standard of work effort in completing this project on schedule.

They not only complied with all attentive details to this project and field interruptions during their installation, but they also did extra work beyond the scope of work.

I enjoyed working with Winco staff and would welcome further projects in the future. If you have any questions please feel free to call me at (210) 362-2359.

Respectfully

David Aguilar
Project Manager II
Via Engineering Department
