Mr. Witt:

Thank you for the work that the Winco team did for us on the Broadway Office Development project. Your crew was safe, professional, hard-working, and diligent. The removal of the window protection and the final clean of the exterior windows was delivered with excellence.

Our Joeris values of Safety, Integrity, Excellence, and Leadership also seem to be evident in how Winco of South Texas does business and we appreciate working with other companies that align with how we do business.

We enjoyed working with Paul, Steven and the rest of the group and look forward to future work with Winco. Please feel free to call me at the number below or send me an email at jadam@joeris.com and I will be happy to help any way that I can.

Thanks.

Sincerely,
