Re: Letter of Support

To Whom it May Concern

Methodist Healthcare Ministries of South Texas Inc. is very pleased with the work of Winco of South Texas. Over the past ten years, we have contracted Winco to perform annual window cleanings at our corporate office, the Dixon Health & Wellness Center and the Wesley Health & Wellness Center. Additionally, they assist us with treating any window leaks that arise throughout the year and provide excellent service at the right price. Their staff, particularly Paul Mutzbauer and Steven Wallace, have always been reliable, quick to respond and extremely easy to work with for all of our needs.

Methodist Healthcare Ministries thanks Winco for all that they have done for our organization look forward to a continued productive relationship in the future.

Sincerely,

Roxanne Avendano  
Facility Services & Construction Manager
